DEDICATION

Since he first came to Mountain Lakes
High School as a biology teacher in 1961
and later librarian in '65 he has been
known for his patience and eagerness to help.
He has great understanding for the students
and has fostered many term papers and book reports.

Some people call him dad, some people call
him Al, most people call him Mr. Saley;
but everyone calls him a friend. Thank
you to a most warm, devoted man.

English

Many innovations in curriculum, staff, and location have given the English department a more relaxed, cordial atmosphere. The office, created mainly through the hard work of the new department chairman, Mr. Bolton is enhanced by separate offices.

This year the department, includes 2 new teachers: Mrs. Davidson, teaching Journalism and English 11 and Mr. DeReeder, teaching English 9 who is also the soccer coach. There has been a unified effort among the teachers for planning a complete elective system for all grades. Hopefully, this program will make the required 4 years of English more interesting and beneficial to all students.

Science

Our Science department has changed this year. One difference is the introduction of open labs, which allow the students to catch up on missed work. Another is the fact that A.P. and advanced classes meet only twice a week for five mods at a time. Mrs. Pongraciz, a part-time chemistry teacher, is a new addition to the department.

"However, replied the universe, The fact has not created in me a sense of obligation."

A.V.A.

AVA is an important organization in MLHS. The members are responsible for the lighting for all school functions including the GAA Show, Home and School Follies and Assemblies. Kurt Montgomery, Bob Erickson and Keith Mackey head the crew with Mr. Saley as advisor.

Business Club comprises students who are interested in business and want to seek new knowledge about the business world. Each month the officers, Nancy Little - Pres., Kathy Stone - V.P., Leslie Stansfield - Sec. set up a schedule by which the members devote their free mods to help out in the main office. The services of the club are also open to the faculty. Mrs. Wilcox assists and advises the club.

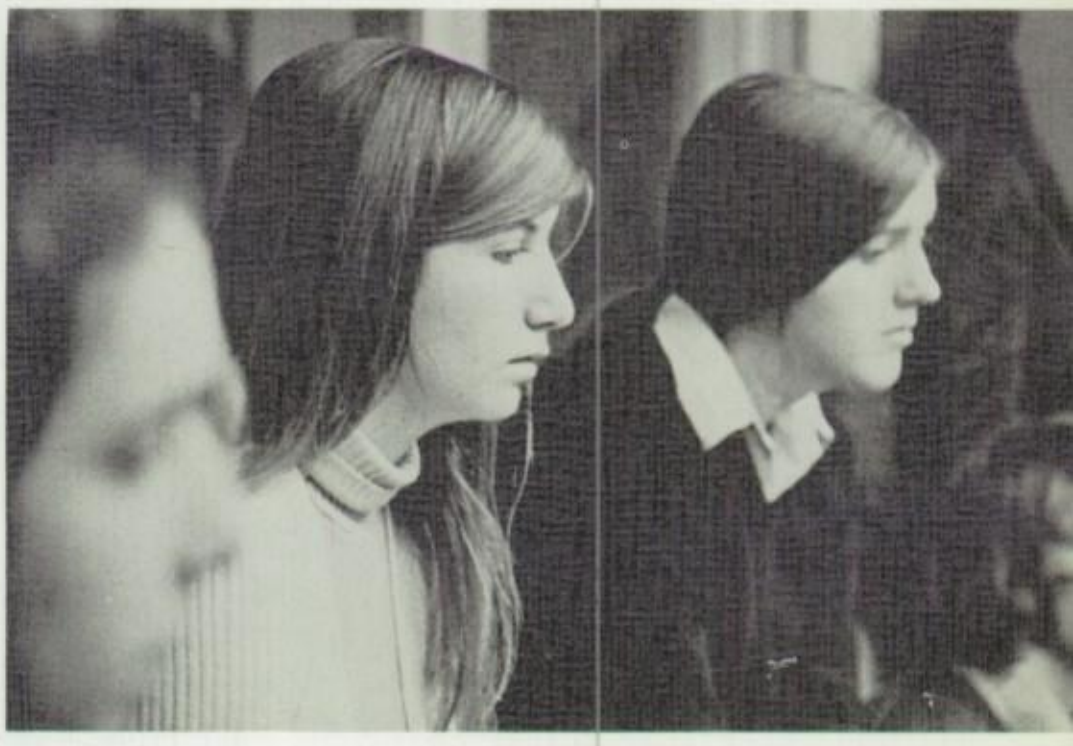
Chairman - Mark Johnston
Vice-Chairman - Kathy Siebert
Secretary - Mike Claus
Treasurer - Jeff Reade
Senior Representatives: Mark Johnston, Kathy Siebert, Kim Mueser, Anne Mullaney. Junior Representatives: Ted Mueser, Bill Philips, Mike Claus. Sophomore Representatives: Paul Nagle, Leslie Rickert. Freshman Representatives: Betsy Rapoport, Judy Mueller.



This year the S.G.A. established five main policies to achieve throughout the course of the year. These include: establishing a uniform weight reduction of final exams, revision of the discipline structure, open campus for Juniors, extension of smoking lounge privileges, and driving during open campus.

The S.G.A. has worked hard to accomplish these goals. Of these five policies, two of them had already gone into effect by February - open campus for Juniors and the extension of smoking lounge privileges.

A.F.S.

A significant happening for the A.F.S. this year was the arrival of Hans Bohman. Hans is from Visby, Gotland, Sweden. Gotland is a small island in the Baltic Sea. Hans has two brothers and a sister at home and his father is principal of Visby's only high school. He is here for one year and is staying with the Stansfield family.

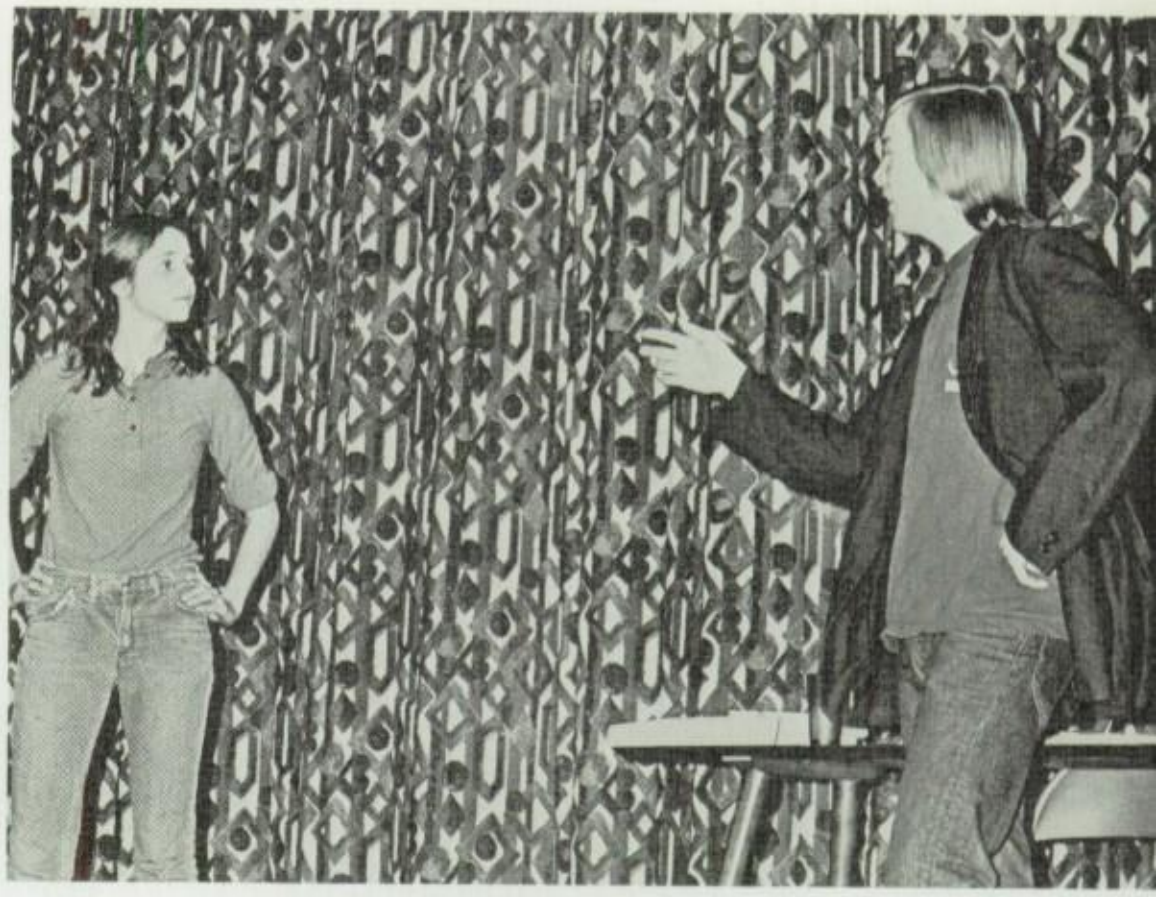
Drama



The Drama Club is an exciting program for many diversified talents. The increase of membership and involvement this year made it possible to present the musical "Bye Bye Birdie." Gil Tippy as Albert and Jody Buyske as Rosie were the main leads in the play. The other leads include: Steve Hilger as Conrad Birdie, Dick Heller as Hugo, Geri Emerick as Kim. The supporting roles were played by Paul Nagle, Kathy Siebert, Jan Tate, Ron Jon Bose, Andy Peavy, and of course the teenager's telephone hour.

Mrs. O'Brien - Director.
Sue Nelson - President and Assistant Director.
Marianne Kasel - Vice-President and Stage Manager.
Jody Buyske - Secretary.
Wendy Dietze, Janice Tate - Treasurers.

Soccer

Last year a group of boys were interested in playing soccer, but there was no soccer team. This year, under the supervision of Mr. DeReeder, a soccer club was formed. Practices are held every day after school. There are no specific disciplines set for the club members, however, there is usually a large turnout at the practices. Because of the interest shown this year provisions have been made for scheduled games, equipment, and the use of buses for next year.

Students who may want to become teachers can test their desires in FTA. The members choose an area and grade level that interests them and submits this along with a schedule of their free mods to Duana George, President. The schools are contacted and hopefully the students are fit into their respective areas. The amount of free time the members have determines how often they will teach.

Curriculum Council was created last spring by the S.G.A. in hope that it would be able to give student input to courses. Including both students and faculty, the council meets whenever there are proposals for curriculum revision.

The Advisory Committee, comprised of students, parents and teachers was recently created by Mr. Kogen. Its purpose is to gain different perspectives on topics concerning the high school: smoking lounge, open campus, for juniors, final exams. The committee's power is solely advisory.

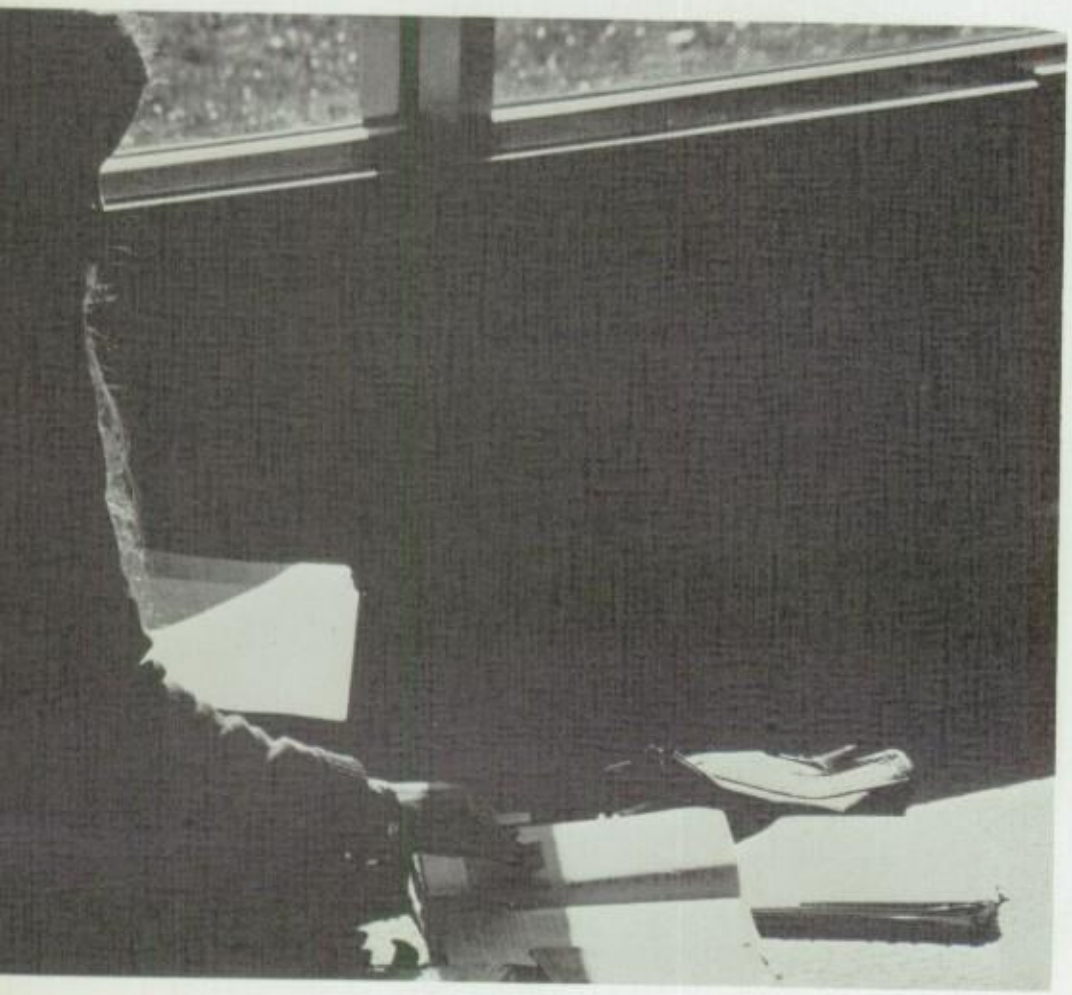
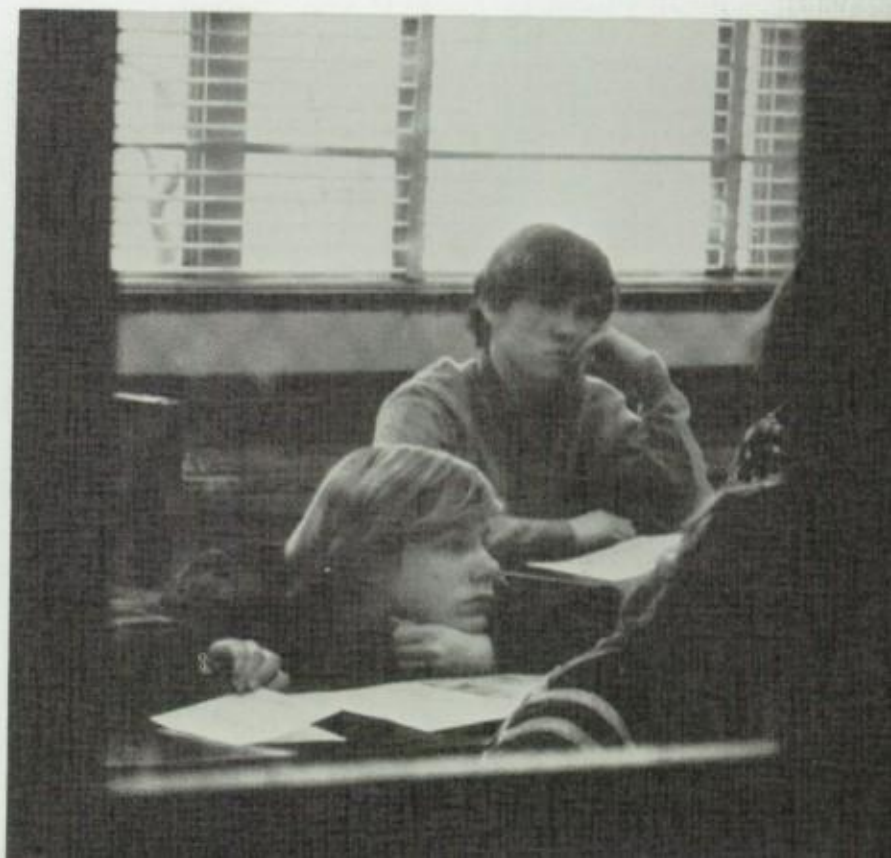
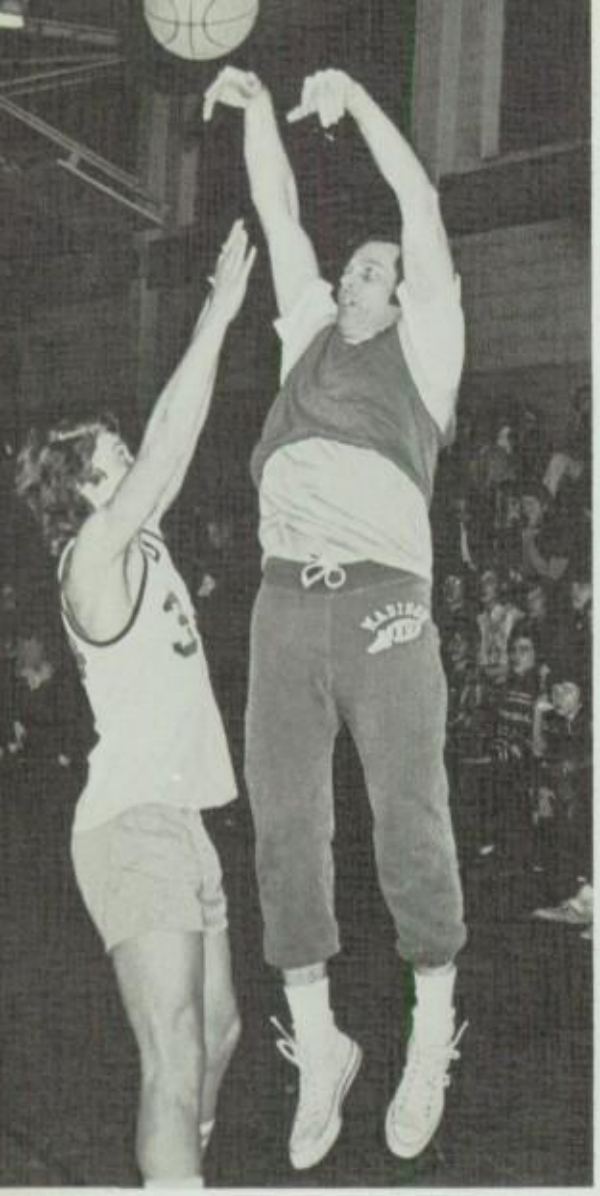
SPIRIT O







Lakes '74

Dear Yearbook Staff,

We did it, we did it, we finally did it! As we sit here finishing up these final pages it seems like the culmination of a lot of hard work (late nights at Peavy's), worrying (sweating out those deadlines), and last minute jitters (''where are those pictures and copy?!''). But there is a great satisfaction knowing you have created something that will not only bring 1974 into focus but will be a lasting collection of memories in the years to come.

Thanks to Carol, Martha, Jeff and Rich for running the business and advertising. It's nice to be in the black! To Donna, Marianne and Ken, these pages are a testimonial to your dedication. Dicky, Fran and Anne, the sports pages have never been better. After all, how can champions go wrong? To Wally, our art department, thanks for the use of your talents. ''How do you spell activities?'' And special thanks to Kimbo, Steve, Kim, Steve, Mike, Ken and Hunter, our photographers. Your pictures have made the Yearbook!

We also want to thank the underclassmen who have helped us out. Carrie, Peter, Becca, Ginny, Jody and Ceil, we leave the Yearbook in good hands!

Warmest thanks to our advisors, Ms. Cox and Mr. Saley. Your support and guidance has made it all possible.

As for us, we're glad we did it, but . . .

never again!

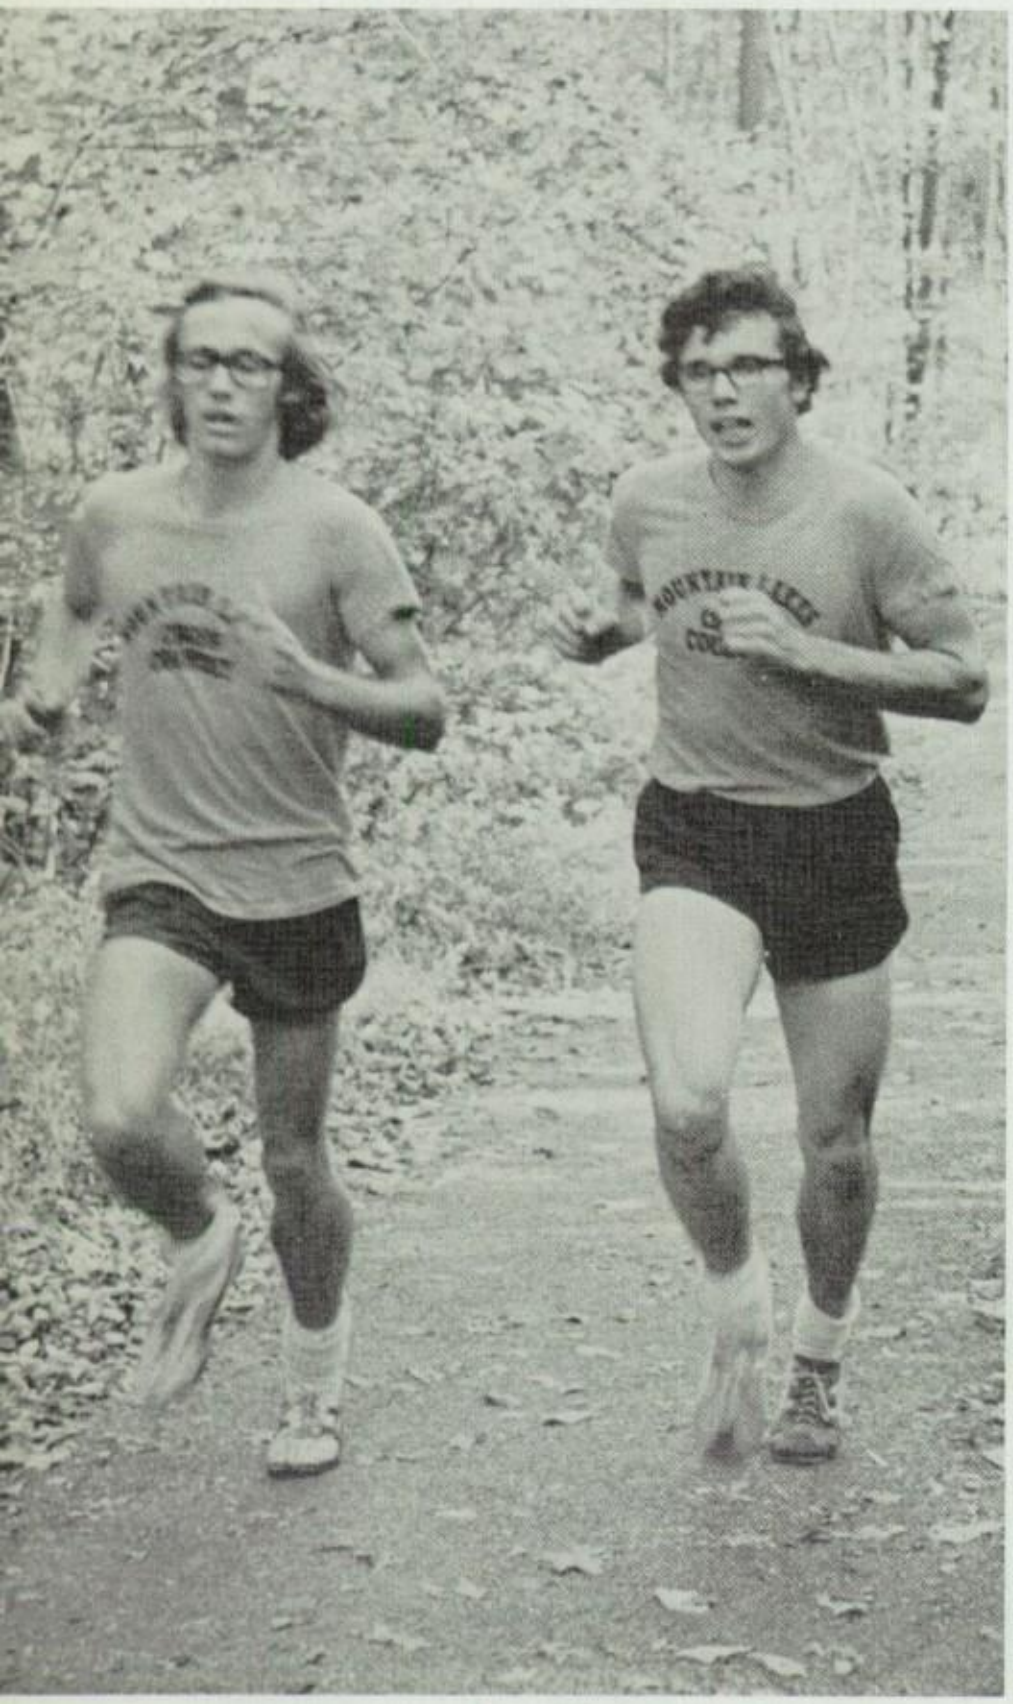
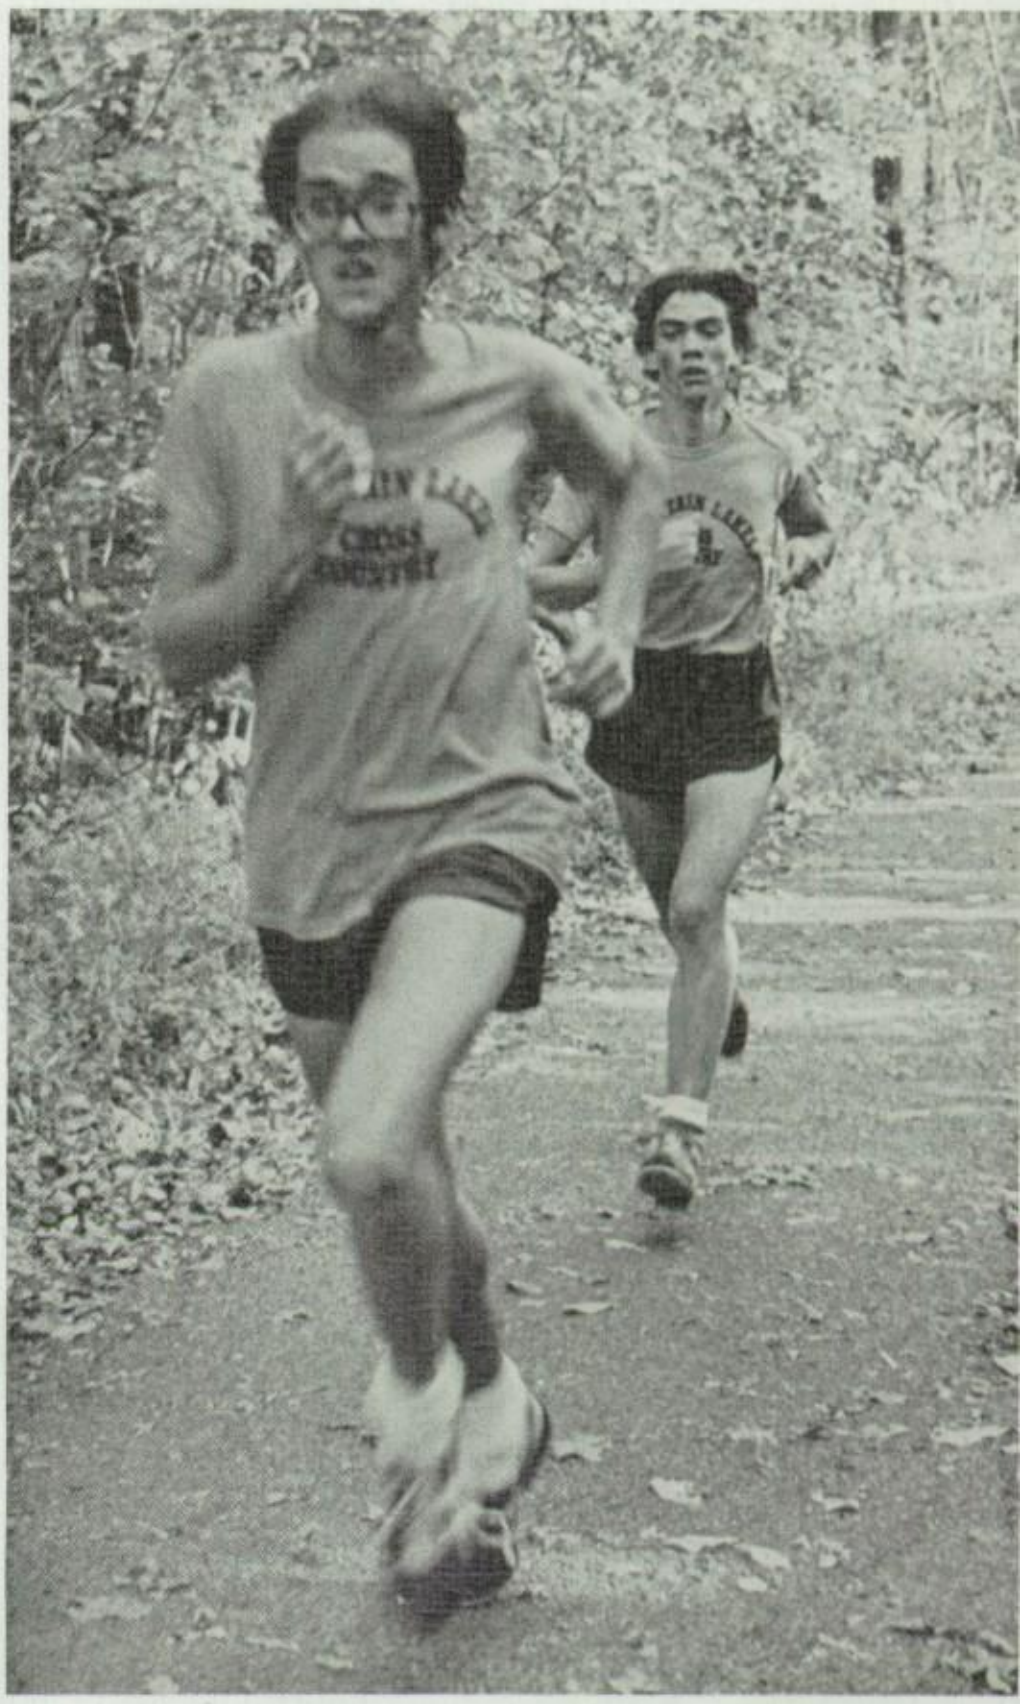
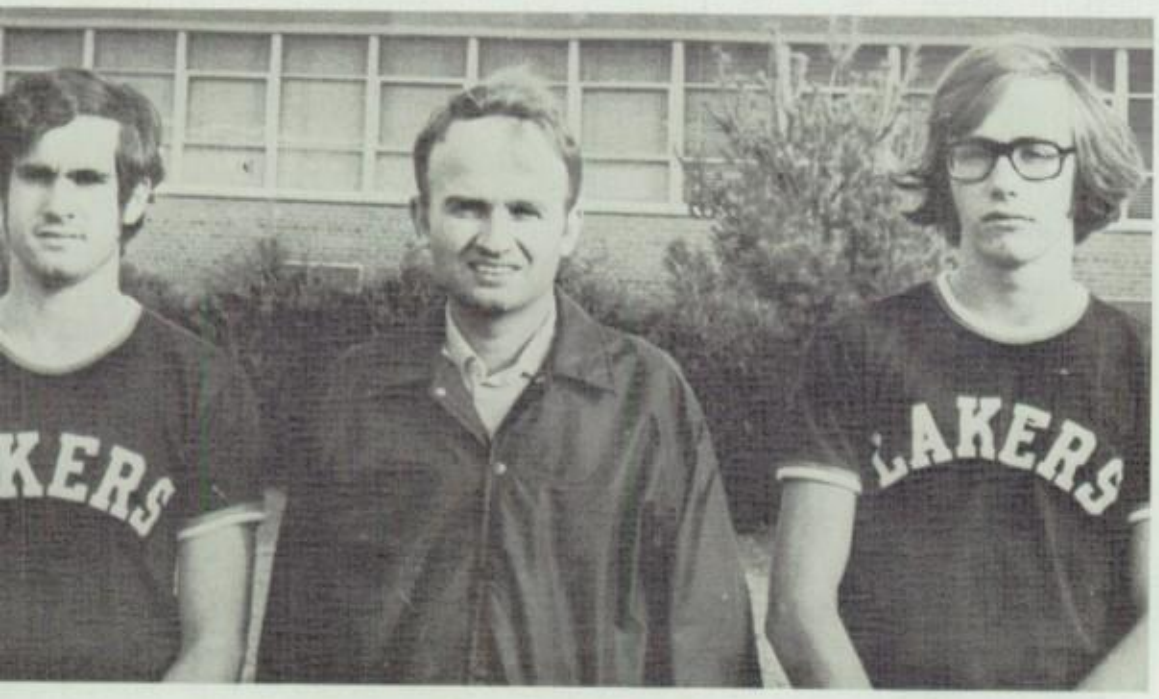
Cross Country — Best in Ten Years



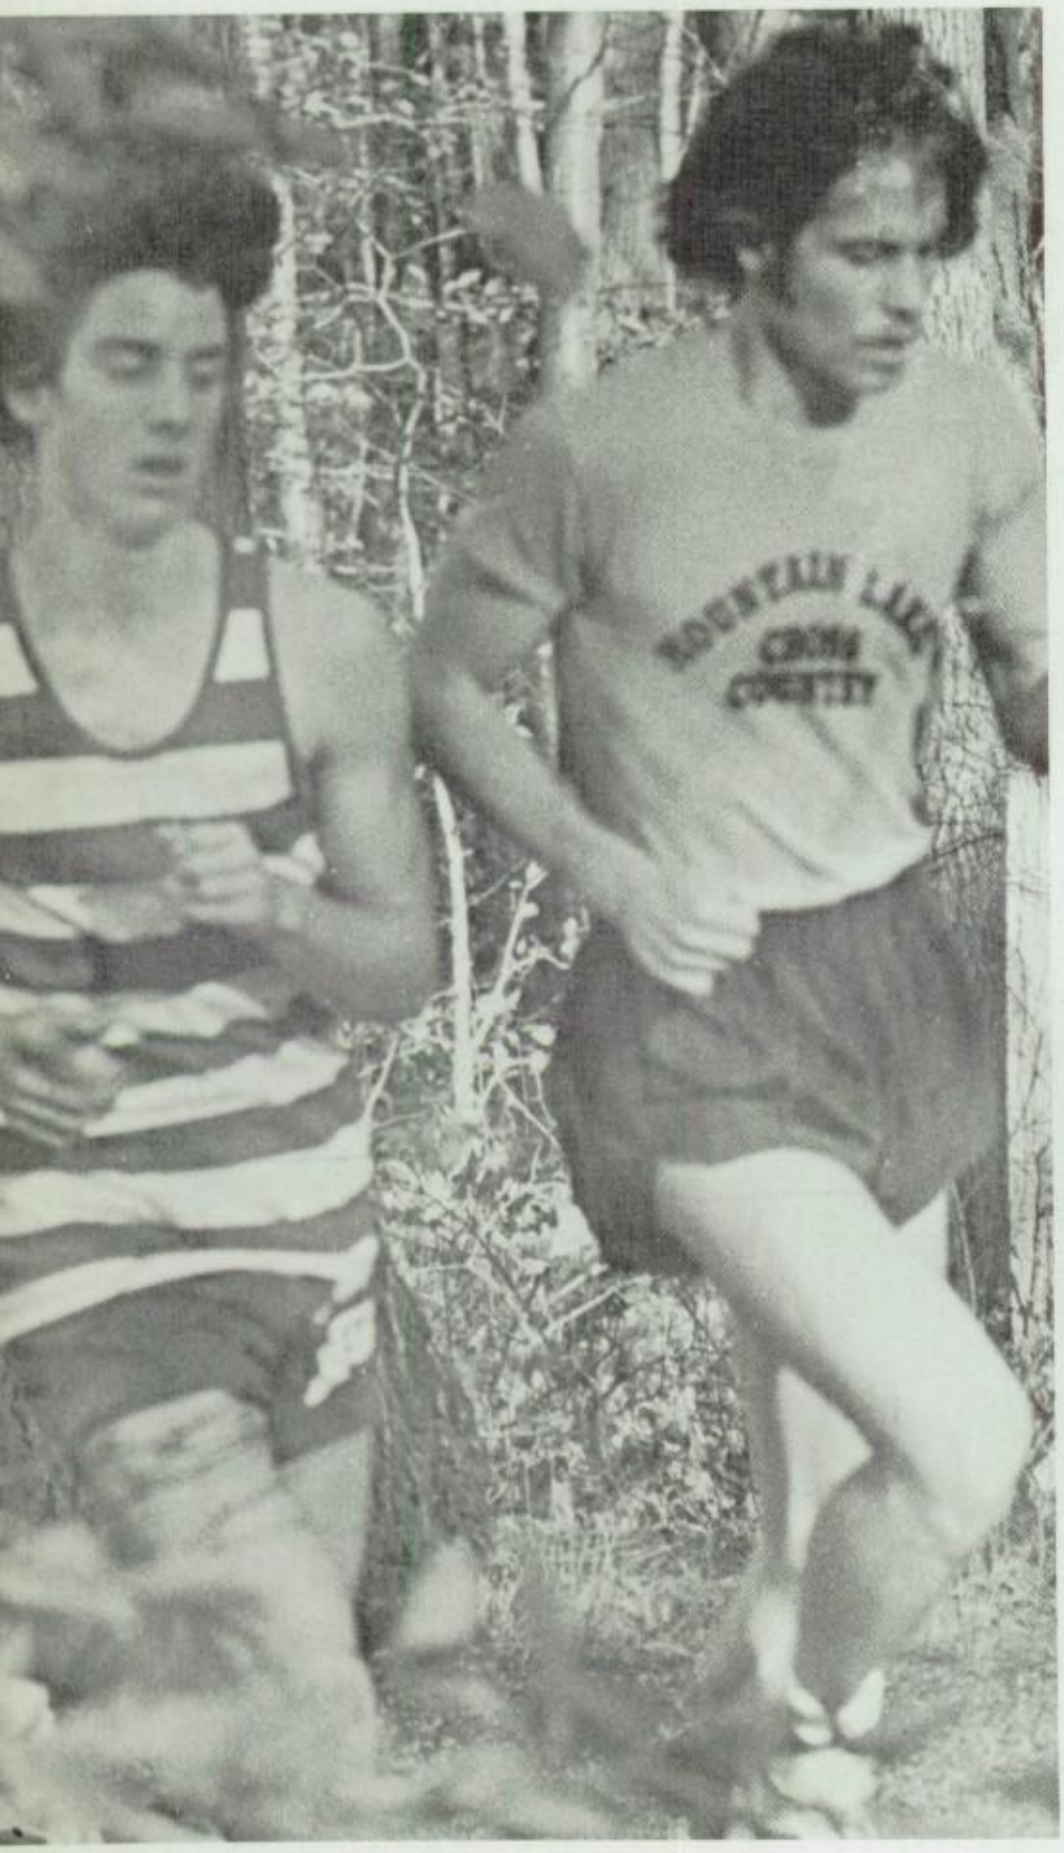


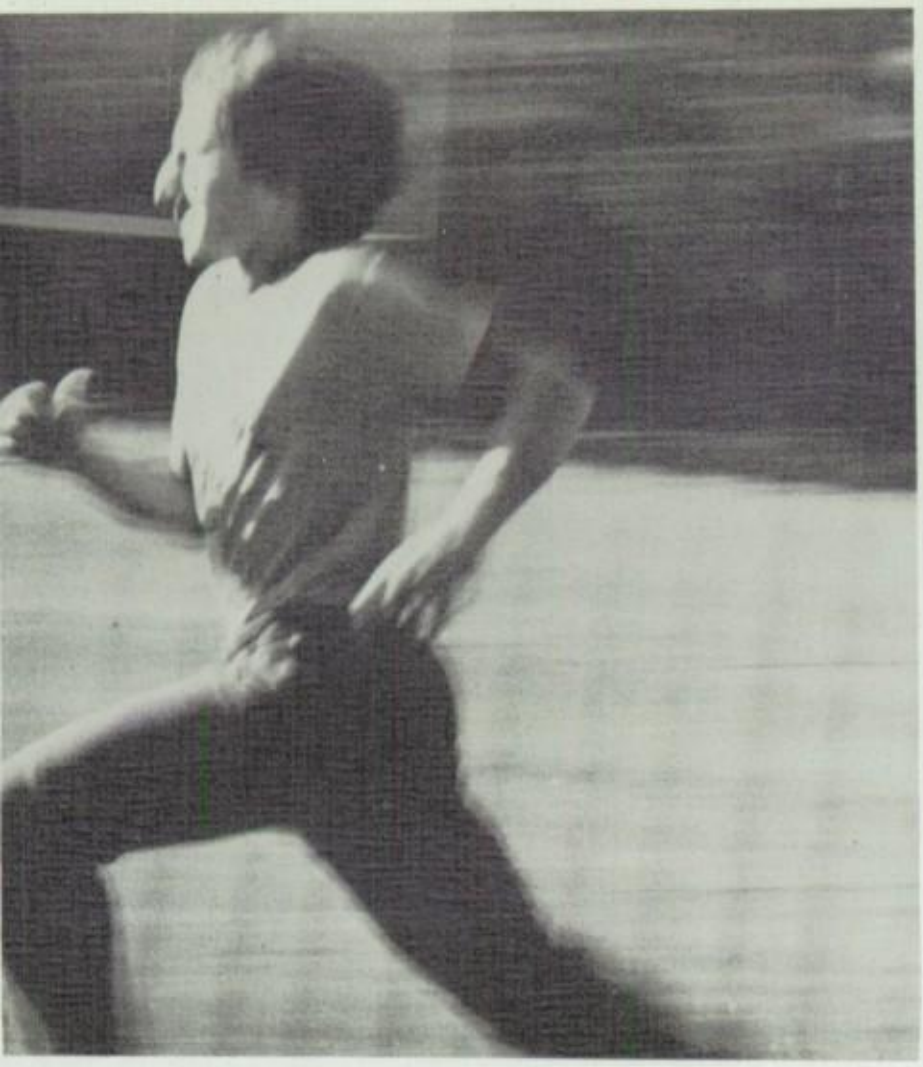


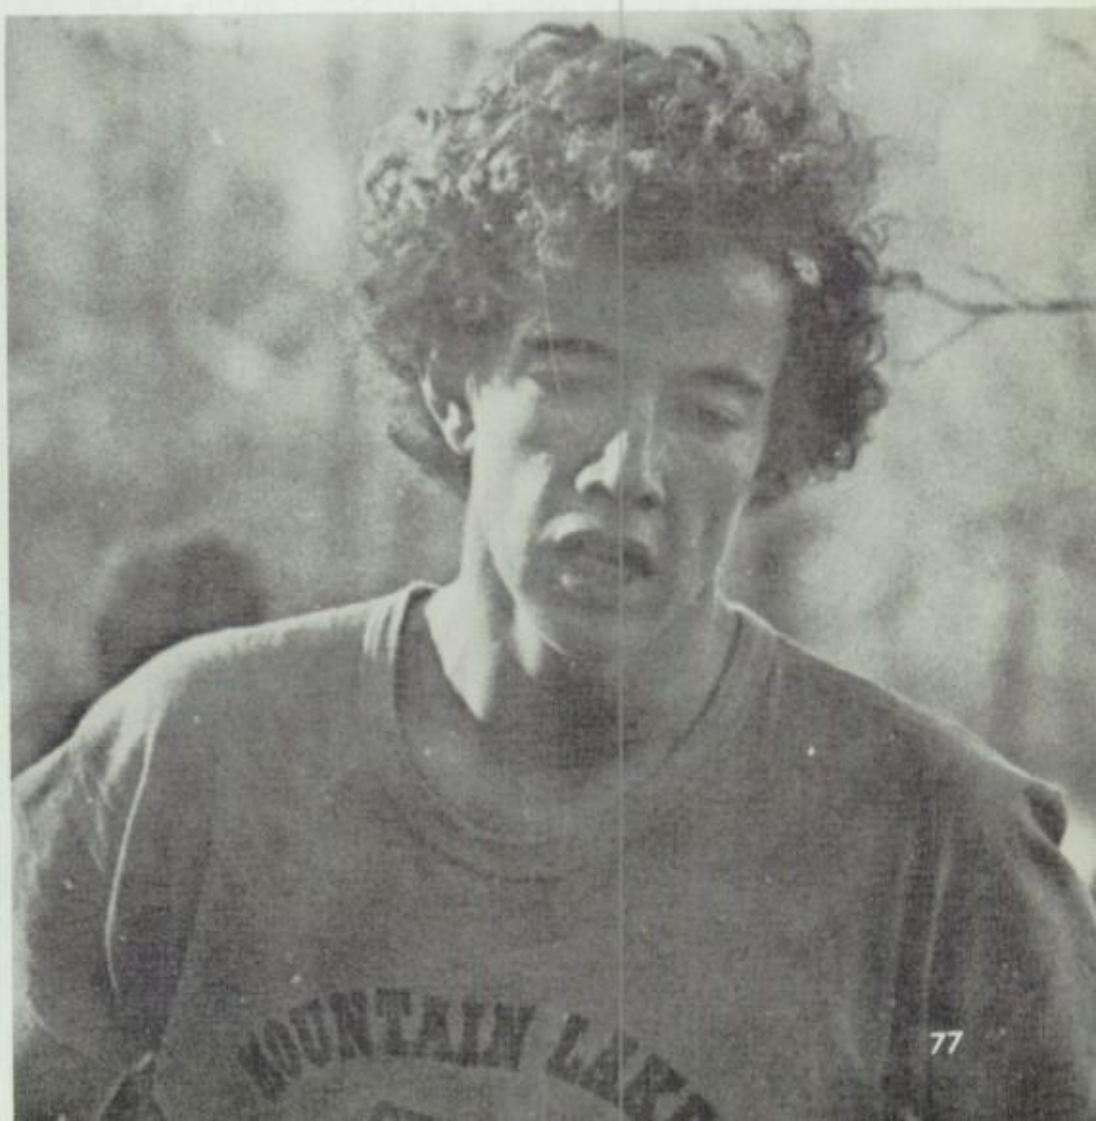
Innovation and success - words describing the 1973 Cross Country team. Led by seniors Kurt Brenner, Ron Willis, Hunter Zuker, Stu Boyd and Chas O'Conner (co-captains) and under the direction of coach Roger Barr, the runners posted an 8-3 (varsity) 7-1 (J.V.) record, the best in ten years. Highlight of the season was the defeat of Bernards J.V. who had a previous 84-0 tally.

1973 saw the biggest crowd ever to watch a meet, during halftime at the Glen Ridge game, and the creation of an annual award for dedication. The Carl Quellmalz Award was given to Kurt Brenner.

Coach Barr attributes the team's success to a number of things. "Our strength was in our depth, we had a total team effort and discipline and morale were very good throughout the year." Mr. Barr's fine coaching and encouragement were also big keys to the outstanding season.







The Impossible Dream

Under the leadership of co-captains, Jeff Bond and Glenn Robinson and guidance of head coach Doug Wilkins, the 1973 HERD rolled over its nine opponents for an undefeated season. With Robinson at quarterback and Don Culbertson, Brad Lebo and Jon Stewart in the backfield and an impenetrable front line the 73 Dream Team scored a total of 312 points. The devastating defense shut-out all but one opponent allowing only 7 points to be scored against them.

Send it in!

The 1973 Soccer Team seemed to be off on the right foot from the start. More girls than ever went out for the team and each seemed to be full of enthusiasm. Shouts of "Send It In," "Kish" and other catchy slogans could be heard if you walked past their games. Led by a talented group of seniors, the team made every game they played a thriller. Many of the same girls who took part in soccer tried their skills at field hockey. The results were similar. The season was full of laughing and fun. Although their record was not outstanding, the girls were motivated by the promise of a champagne party at the end of the season. Not only did many girls play two sports, but Mrs. Southern coached both. She could be seen almost every day shouting instructions to her team. The Girl's Fall Sports season had its memorable moments; like the time Fran Menard used her head to score a goal for the other team, or when Pam Shaw swung at the hockey ball but splattered the referee with mud instead. Both teams had to warn their opponents about the dangerous field they were playing on.

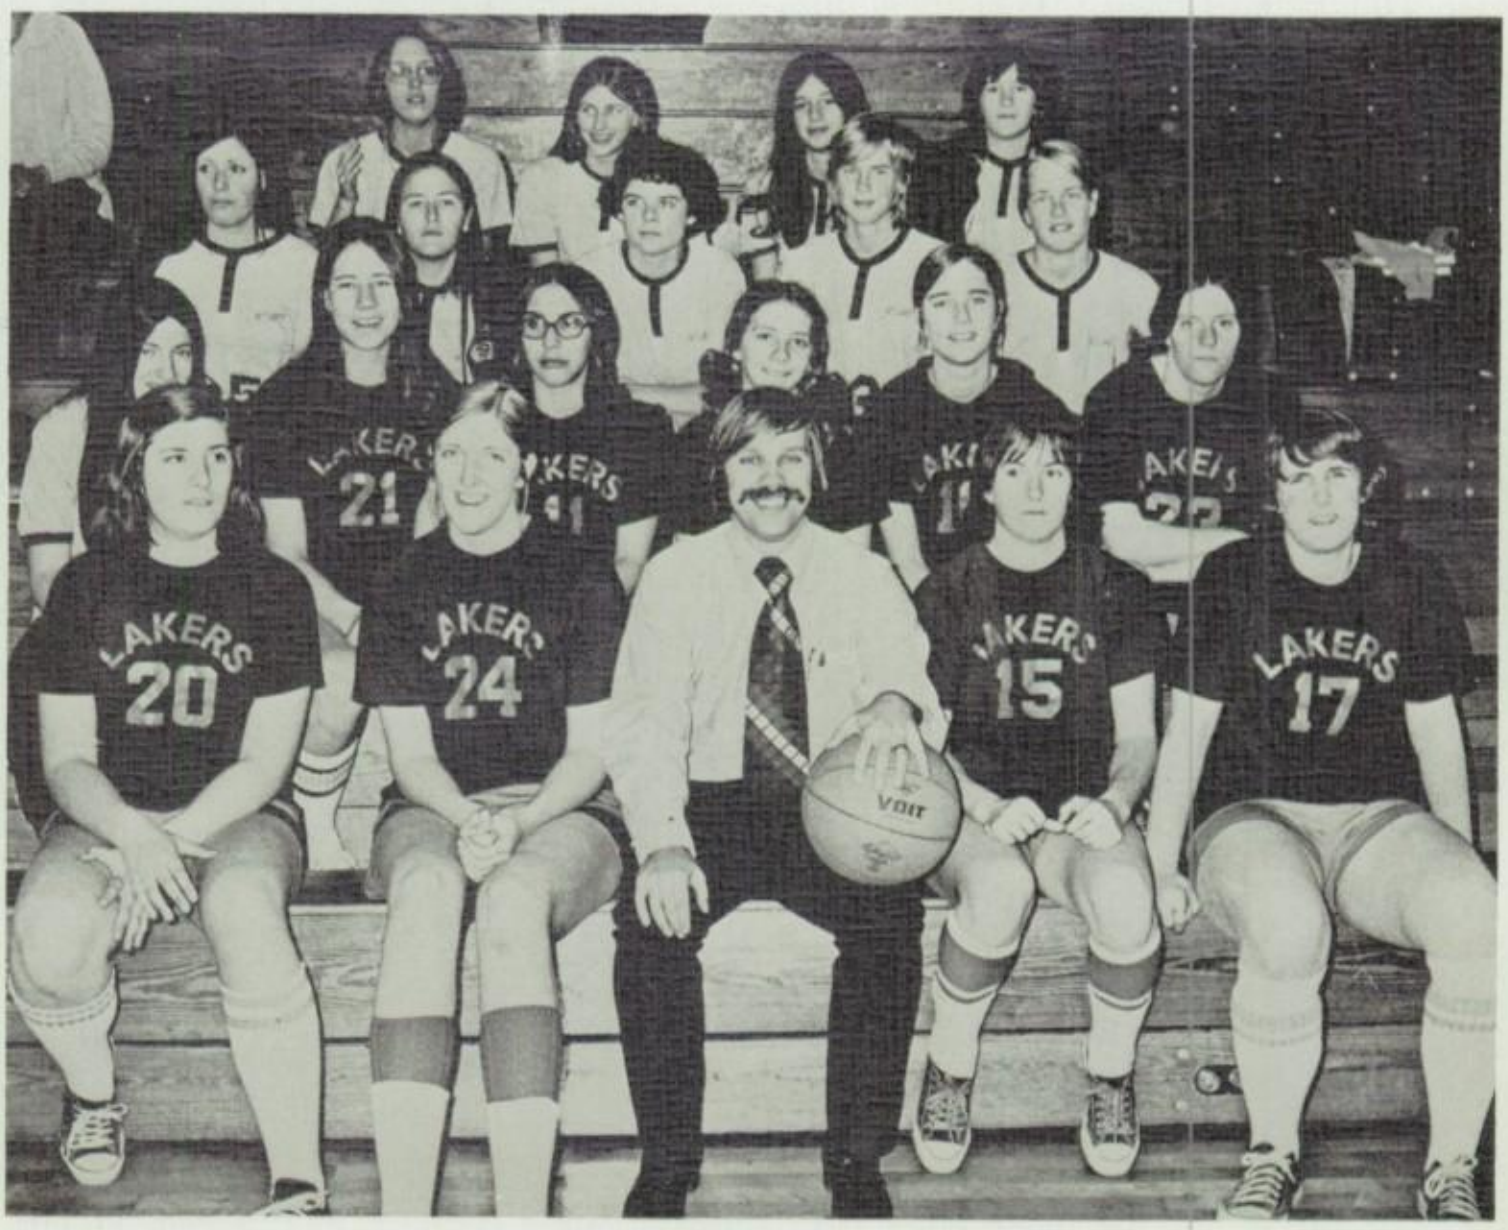
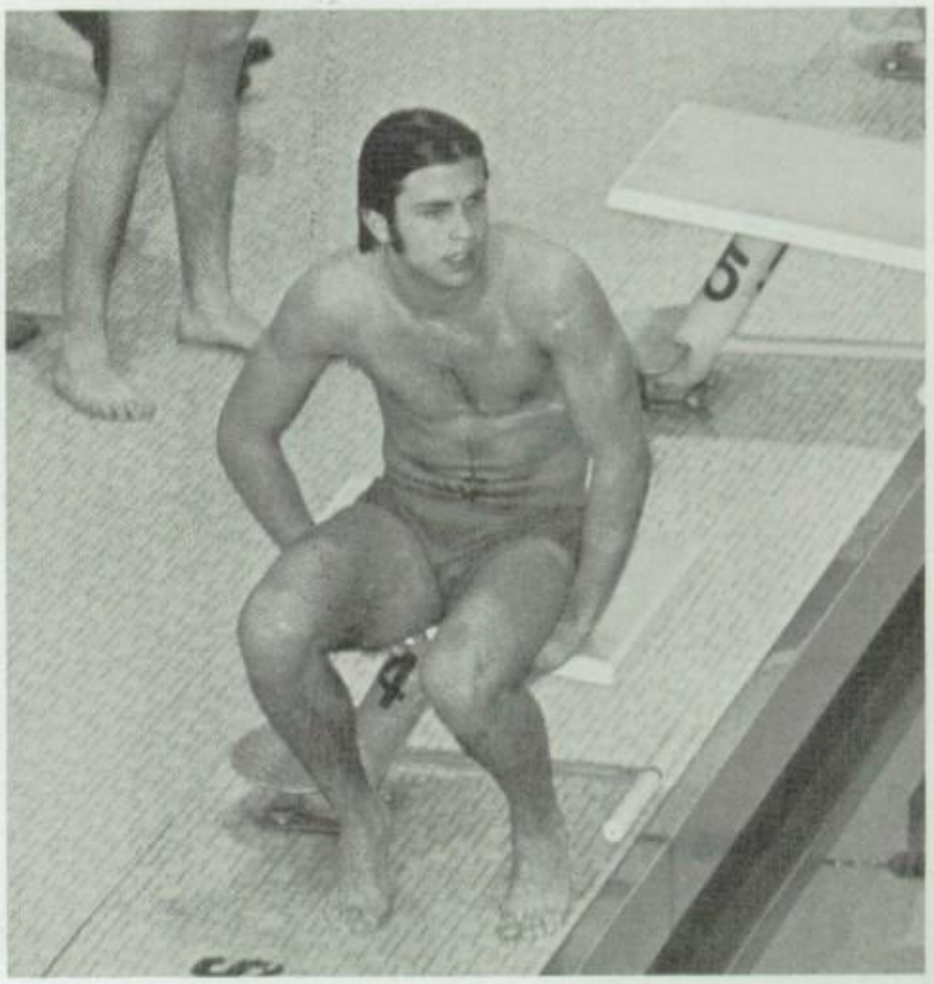
Girls Basketball

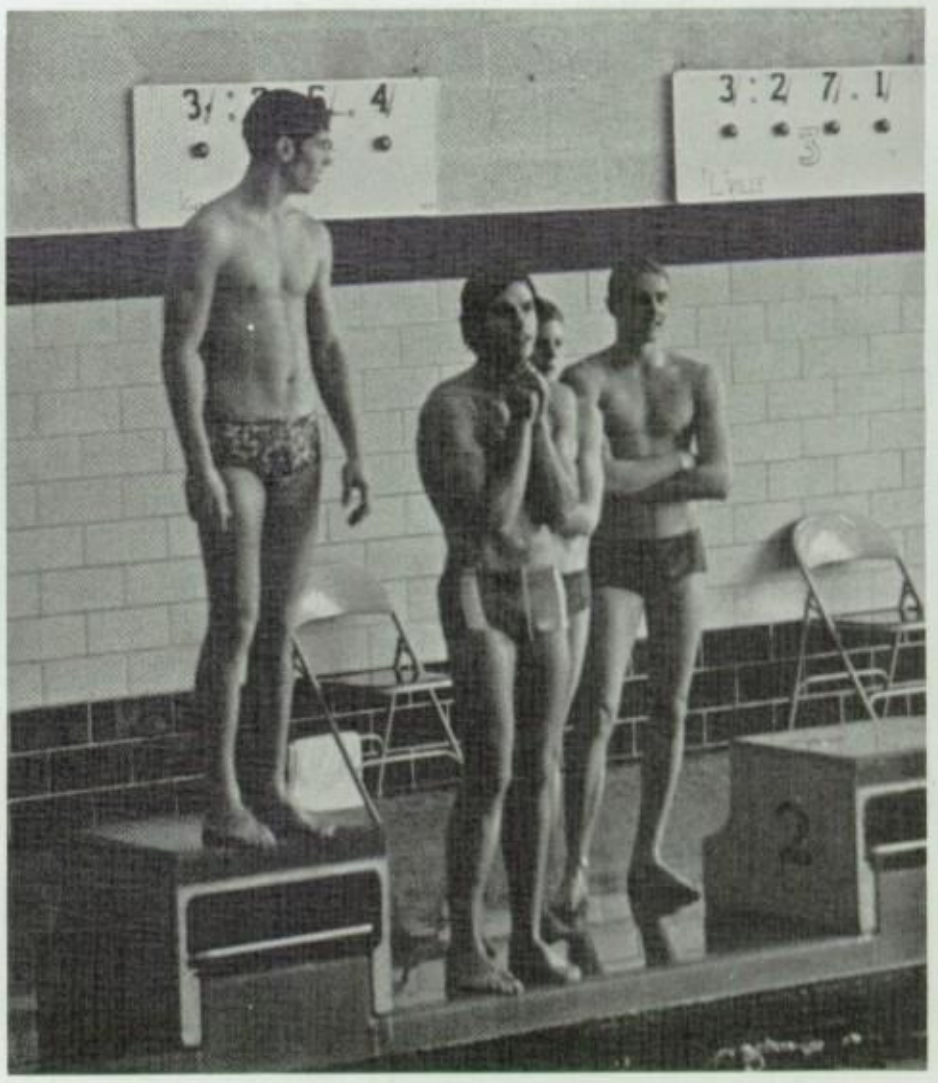
For the first time the Mountain Lakes Girls Basketball Team was coached by a man and the results were excellent. The team went 7-1 in the conference, and captured the unofficial Colonial Hills Conference championship. The five starters had played together for the past two years, but finally put it together this year. Captain Anne Mullaney led the team in everything from scoring to technical fouls. The technical came as Anne shot the ball after the whistle blew - but that's typical of those refs! With four returning seniors; Pam Shaw, Pam Perrotty, Anne Mullaney, and Fran Menard the Lakers not only found themselves winning but also playing with a new attitude. This attitude was one of dedication and hard work.

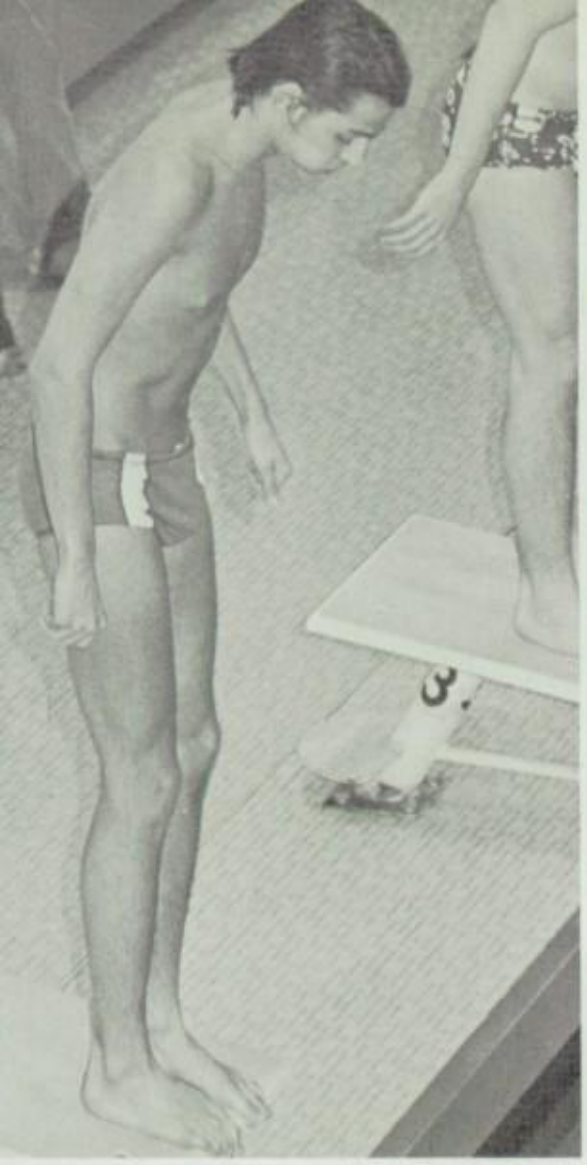


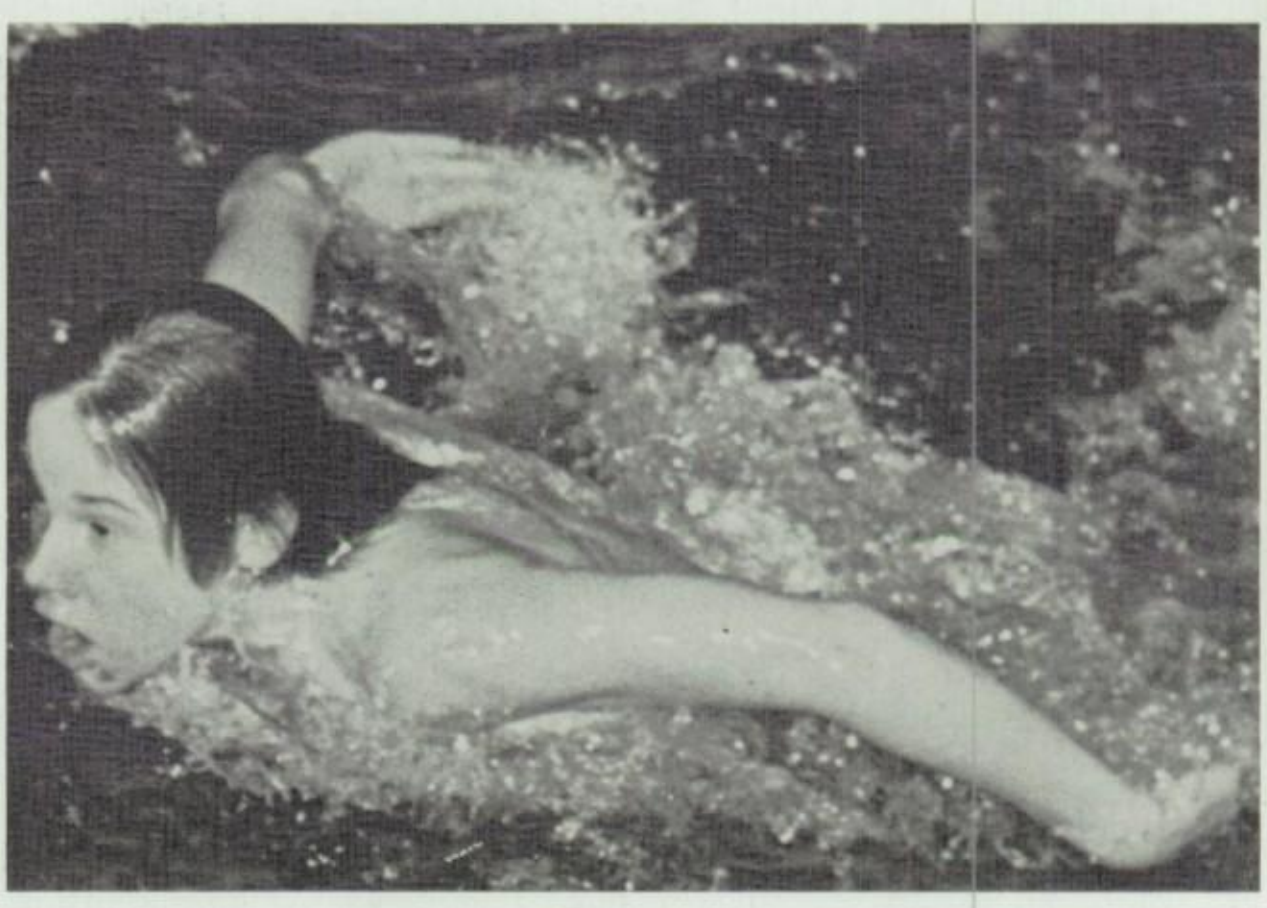
Swimmers Benefit from New Facilities and Coach

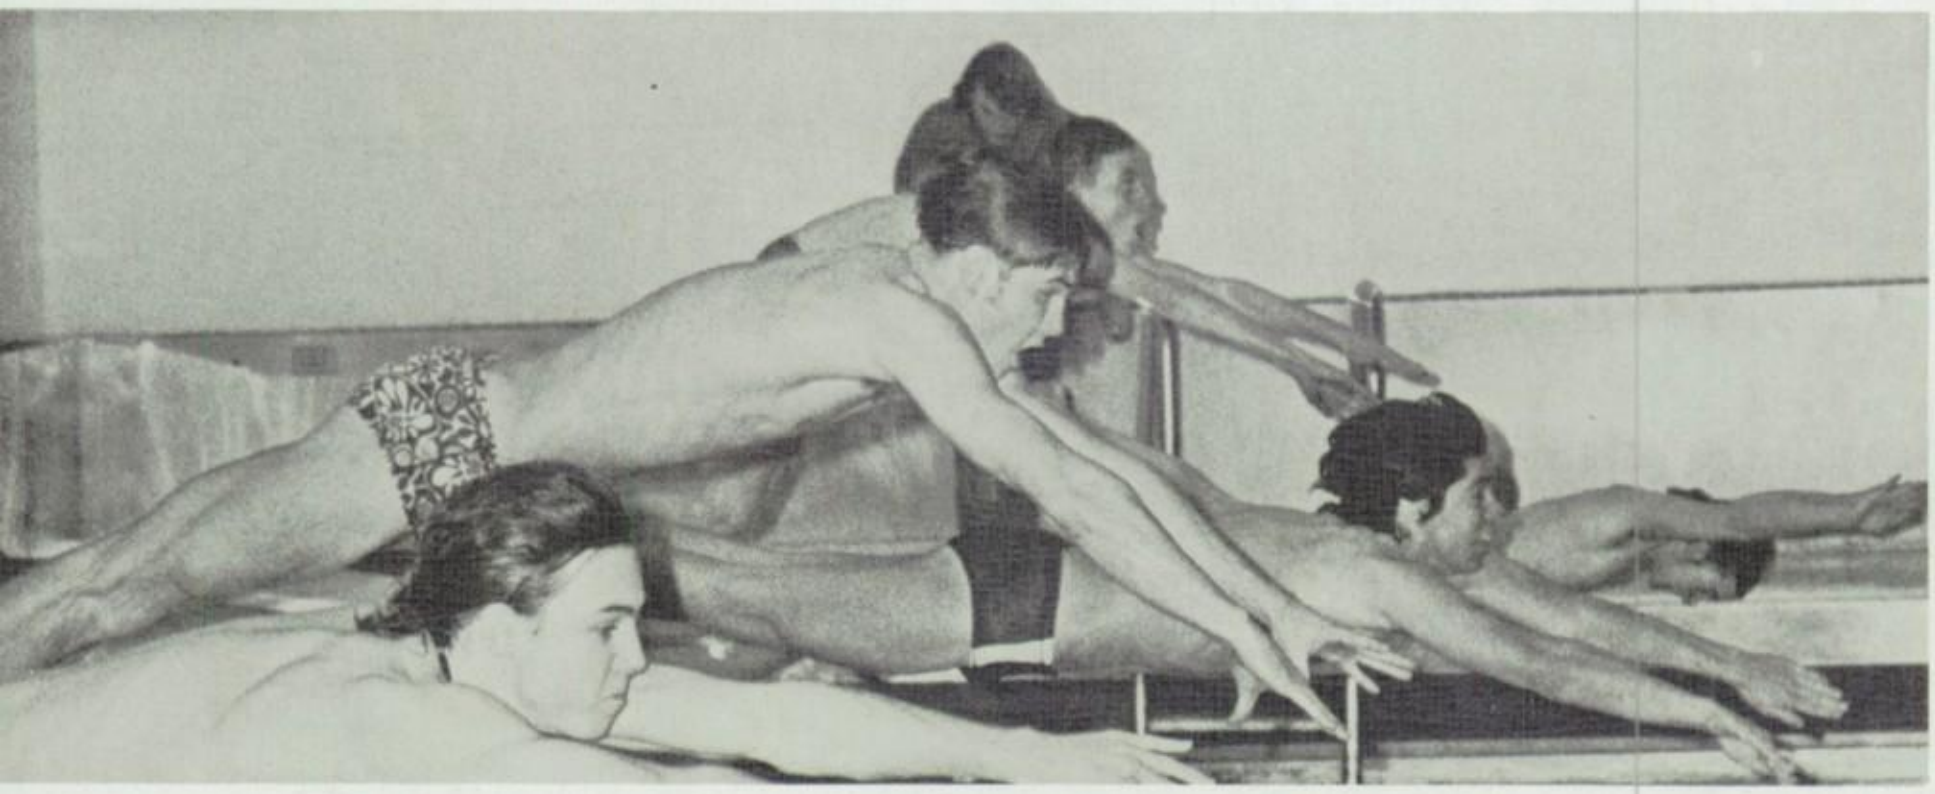
With the use of the new pool at the Lakeland Hills YMCA and the arrival of Coach Macionis, the MLHS Swimming Team began a tradition of hard work and success. This year the Lakers have swum to one of their best dual meet seasons ever. An exciting achievement for the 1974 Swimming Team was the breaking of more than half of the school records. The seniors: Clark Kogan, Buddy Burgoyne, Sue Stone, Doug Riker, Mark Parkins, Mike Conlan, and Pete Haas provided most of the strength for the team. However, the underclassmen show great promise for the next season as they added many of those important points.

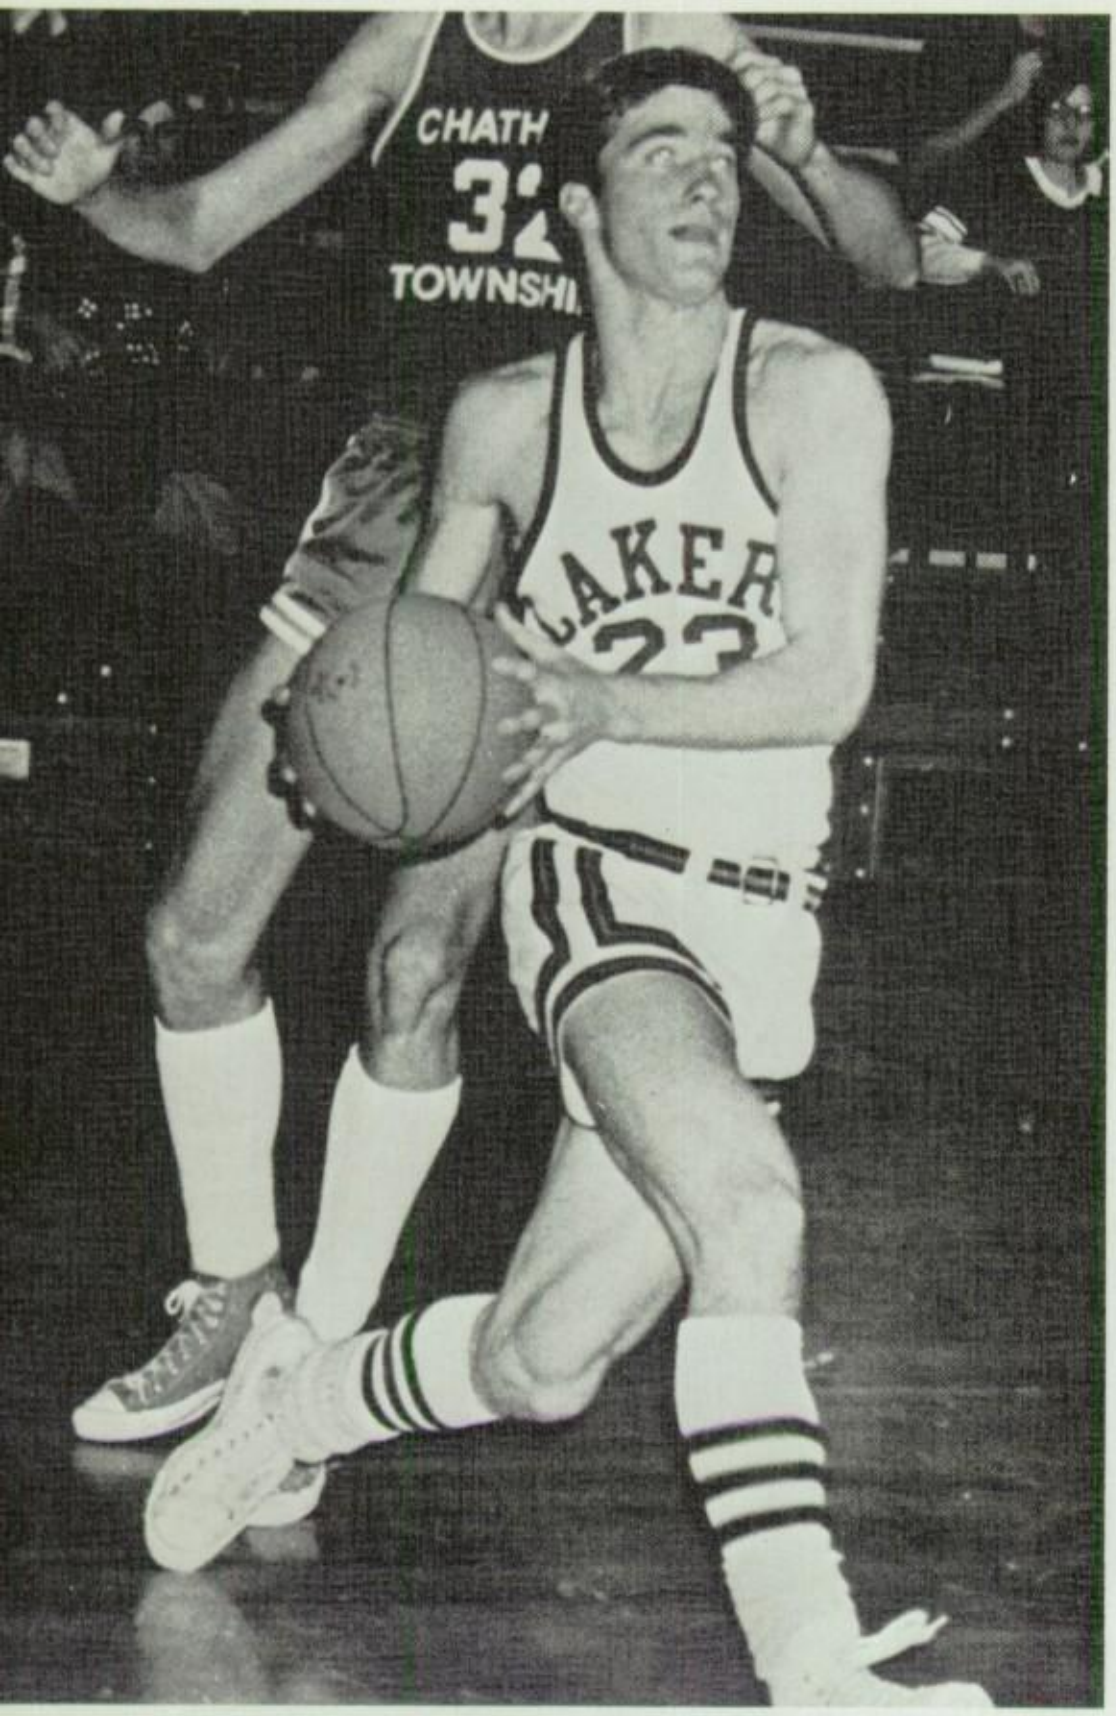












Characteristic of the 1974 basketball team was a definite lack of height. The starting quintet averaged less than six feet, but strategist Coach Wilson helped to overcome the team's shortcomings! The Lakers employed a constant full-court press to rattle their opponents with hustlers and deadly sharp-shooters from the outside, the 1974 Lakers made every contest close.

Andy; scorer, deadly jump, quick.
Dave; spider, brickhands, another Walton.
Tim; Dudley, "I don't want to start," soft touch.
Jon; driver, offensive minder, game socks.
Ben; hair lip, whale, hustler.
Willie; Mutt, rebounder, good foul shooter.
Sandy; floor general, ball handler, gnat-like.
Mike; consistent, tough "D," clever on the press.
Glenn; Roby, the Hawk, net music.

Let it not be said
that because she didn't know
who she was, she wasn't somebody;
That because she didn't know
where to go, she wasn't free;
That because she wasn't sure
how to help the world, she didn't try;
Let it only be said
that she loved the rain and wind
and the gentle touch of another's hand
Let it only be said
that once in while
she lived.
